

# Recovery Worker

<b>Title</b>	<b>Recovery Worker</b>
Directorate	Operations
Reports to	Team Leader
Responsible for	N/A
Key relationships	Internal: Recovery Workers, Project Administrators, Data Administrators, Team Leaders, Volunteers, Recovery Champions  External: Service Users

## Job Purpose

- To safeguard and protect the children, young people and adults that we work with by adhering closely to We Are With You's policies and procedures at all times and sharing any concerns immediately.
- To provide support, information and advice to individuals in relations to substance misuse and area of specialism, as appropriate.
- To improve access to appropriate services for service users with substance misuse issues.
- To communicate the organisation's vision and deliver its mission, corporate strategy and business plans.

## Main responsibilities / duties

### Service Delivery

- Deliver continuity of care through effective partnership working, care coordination, delivery of interventions and key work responsibilities.
- Support the day to day operation of services through the delivery of appropriate evidence based interventions.
- Manage an active caseload providing structured brief interventions and/or

other psychosocial and pharmacotherapy interventions in compliance with our delivery model.

- Assist in the delivery of an integrated service through the provision of assessment, recovery planning, appropriate referral, support, care coordination and interventions (e.g. psychosocial, pharmacotherapy, harm reduction).
- Assess service users, carrying out triage and comprehensive assessment as required and making appropriate onward referrals to specialist agencies.
- Co-produce, monitor and review recovery care plans within and between services to ensure service user's needs are met.
- Assess and manage risk ensuring a safe and appropriate environment for all through active risk prevention.
- Develop and disseminate substance misuse information and give advice on health & social well being in both groups and one to one settings.
- Screen for substance use in line with organisational guidelines and taking appropriate follow up actions.
- Support colleagues, volunteers, recovery champions and sessional workers providing advice and guidance, as appropriate, ensuring care standards are maintained and service users receive the most appropriate care. This includes supervision of volunteer, recovery champion and student/trainee duties.

## **Information and Governance**

- Record and maintain service user statistics/data/case notes using the electronic service user management systems in accordance with Addaction policy.
- Work with colleagues in other teams to ensure that best practice is shared and knowledge and management information is available to the teams and the wider organisation to ensure services meet required standards, are evidence-based, demonstrate impact and can effectively share learning.

## **Service User Engagement**

- Champion of designated specialism (e.g. Young People Services, Criminal Justice, Hospital Liaison).
- Interaction with groups or individuals about their recovery using recognised methods and models.
- Act as a champion for We Are With You and local partnerships at all times

internally and externally, modelling appropriate behaviours.

- Engage with staff, volunteers, service users and carers using personal visibility and accessibility.
- Develop and/or build strong and positive relationships with key stakeholders to ensure continuity of service.

## **General responsibilities**

- Confidentiality: Ensure confidentiality at all times, only releasing confidential or personalised information externally with consent from a line manager.
- Data Protection Act: Comply with the requirements of the Data Protection Act and amendments to ensure integrity and security of our information.
- Safeguarding: Remain vigilant at all times to any safeguarding concerns within the day to day performance of your job role, sharing and learning from these experiences to ensure our statutory and organisational responsibilities are met in respect of safeguarding children & vulnerable adults.
- Conflict of interest: Declare any involvement either directly or indirectly with any firm, company or organisation that has a contract with We Are With You.
- Equal Opportunities and Diversity: Ensure that all service users, partners, carers, and colleagues in We Are With You and partner organisations are treated as individuals within our Diversity and Equality framework.
- Health and Safety: Compliance at all times with the requirements of the Health and Safety regulations and We Are With You's Health and Safety Policy and Procedures, ensuring reasonable care is taken with regard to yourself as well as any colleague, service user or visitor who might be affected by an act or failure to act by yourself.
- Quality Assurance: To ensure all activities are delivered in a way that supports and maintains We Are With You's registration with the Care Quality Commission and appropriate agencies in the devolved administrations.
- Any Other duties: To undertake any other duties that are reasonable and are commensurate with the role as directed by the Executive Director of Operations in line with the changing needs of the service and legal requirements.

- Self-development: Ensure you take responsibility for development and keep learning in your role.
